

**ESM Recycling  
2701 Thompson Rd.  
Snyder, Texas  
325-320-5024**

ESM Recycling is currently working with the City of Snyder to provide a recycling program for the community of Snyder. To date, ESM is only set up for businesses to have access to a recycling dumpster on a permanent basis. There are community recycling dumpsters set up near City Hall.

The following is a list of products that ESM Recycling currently accepts:

Cardboard- must be clean with no absorbed grease or food products.

Plastic- accepting only #1 PETE and #2 HDPA containers. This includes water and soda bottles, milk jugs, laundry soap containers, food and condiment containers, shampoo and soap dispensers. Please look for the recycling triangle (three arrows) and check the number inside it. It must be a 1 or a 2. Please remove all lids, labels, and leftovers (rinse out).

Paper- All office paper, computer paper, printer paper, and notebook paper as well as any junk mail

Shredded Paper- must be contained in a bag and contain no credit cards or CDs or any other type of hard plastic.

Newspaper-all old newspapers must be kept out of the sun and the rain.

Other paper- magazines, leaflets, posters, books, and pamphlets will be accepted. This includes any paper with a “shiny” appearance.

Steel(tin) food cans- Please rinse out and remove the label.

Aluminum cans- ESM accepts all aluminum cans, however, we do not purchase it from anyone.

Electronics- All computers, monitors, printers, scanners, fax machines, and laptops are accepted and donated to the TDCJ rehabilitation program to be used as a teaching tool for rebuilding or to be stripped and recycled.

If you have any questions about what will be accepted at the recycling center, please do not hesitate to call and ask. ESM accepts drop-offs by residents or any other individuals who wish to participate in the recycling program.

Together, we can make our world better, starting with home.
